

MORRIS FOR MAYOR

Have you ever wondered why it has become so expensive to live in the City of North Vancouver?

Could the reason be that the CAO and his office cost the City Taxpayers huge money:

<u>Name</u>	<u>Annual Base Salary</u>	<u>Benefits</u>	<u>Total</u>
CAO Tollstam	\$256,092	\$61,462	\$317,554
CAO Assist #1	\$ 78,552	\$18,852	\$ 97,904
CAO Assist #2	\$ 78,552	\$18,852	\$ 97,904

(\$400,000 equals 1% of the City's total operating budget)

The CAO's office costs 1.28% of the entire annual operating cost of the City. The CAO's wage has increased by 26% from 2008 to 2013.

The Mayor, as CEO of the City, needs to explain to taxpayers why he approved a 26% wage increase for CAO Tollstam, for management of one of the smallest municipalities in the Lower Mainland!
