

# MORRIS FOR MAYOR

The Mayor has publicly announced a slate, and that slate has been determined by Elections BC to be operating a telephone call centre in Lower Lonsdale, on behalf of seven members of the **Mayor's development funded, development friendly slate.**

At the All Candidates N. Van Seniors meeting, slate member Craig Keating told attendees the City is only growing at a rate of 1% per year.

In 2011, the City's population was 48,196. In 2014 our population surpassed 52,000. That is, at minimum, an increase of 3,084 people, **equalling a growth rate for N. Van City of 2.62% per annum.** This is over two and a half times higher than the Mayor's slate alleges.

We just changed out the only affordable full service Safeway grocery store on Lonsdale for a soon to be open Whole (paycheck) Foods store. **And the affordable grocers located on the east side of the 1400 block Lonsdale have just learned their buildings have been optioned for a new 24 storey tower.**

When will this out of control development attack on our housing and cost of living end? The choice is yours. On November 15<sup>th</sup>, Vote Morris for Mayor.
