

MORRIS FOR MAYOR

I believe our community should use its buying power to telegraph the marketplace the values we want to see succeed and grow.

To this end, I support a 'Large Contract Bid Award' evaluation process that includes, as one of its considerations, whether a vendor provides employer paid or employer subsidized daycare programs and pays a living wage scale to its employees.

We should be awarding our major infrastructure contracts to employers who show by example that they possess 'The Right Stuff'. In this way we raise the bar for our corporate suppliers to meet or exceed.

A Better Tomorrow begins, not just with what we do, but what we influence others to do. Let's help improve life for those who are most vulnerable and needy.

"FOR A BETTER TOMORROW"
