

MORRIS FOR MAYOR

The Lower Lonsdale Business Association ('LLBA'), comprised of a very small number of members, last night declared its intent to support a candidate slate that will push to install a BIA in Lower Lonsdale using a negative petition bylaw.

That bylaw process will cause an all new and additional tax to be applied to each and every business operating in the LoLo area, unless the **property owners** rise up within 30 days and oppose the bylaw. **The businesses who will pay the new tax don't get a vote in the process.**

I don't oppose a BIA. I oppose the fact that the businesses who pay this new tax don't get a vote in the process. It's undemocratic!

Slate members who support this new tax on business are the current Mayor, Linda Buchanan, Craig Keating, Iani Makriis, Matt Clark, Holly Back and Kathy McGrenera. The Mayor's helper George Pringle, also gets the LLBA nod.
