Kerry Morris brings to the Mayor's race in our City a well thought out platform that includes ...

- Bringing our Density frenzy under control
- Preservation of so called surplus School lands
- Saying No to Developer campaign contributions

Kerry has proven himself a quick study & with his extensive background in business is the best candidate to lead our City in the next term.

Kerry Morris will restore the integrity & moral compass to the office of Mayor that is so sorely lacking currently.

I urge you to join me in voting for Kerry Morris as Mayor of North Vancouver City on Nov 15<sup>th</sup>.

A handwritten signature in blue ink, appearing to read "Rod Clark". The signature is fluid and cursive, with a large initial "R" and "C".
