## **SURVEY - LUCAS CENTRE SCHOOL AREA RESIDENTS**

As a candidate for Mayor of the City of North Vancouver in the upcoming municipal elections, it has been my task to examine a broad range of matters affecting our community, and to develop positions and strategies designed to bring about a more just and beneficial solution to each challenge. To this end I have developed a series of positions on a large number of City issues. One of these positions relates directly to the ongoing control and use of Lucas Centre School. This position directly affects you as a local resident living in the Hamilton Heights area, in close proximity to Lucas Centre School.

In order to help me better understand your position on this issue I am asking that you complete this survey. Please return the completed survey to my residents located at 784 East 15<sup>th</sup> Street, or email me a completed copy to the address as shown below. Thank you in advance for your help and support.
