

MORRIS FOR MAYOR

Harry Jerome Recreation Centre was constructed in 1965 as a Centennial Project. The rebuild of Harry Jerome has been a top priority for more than 10 years but the renewal plans continue to founder.

Mayor Mussatto has now put his support to the \$30M to \$50M Roger Brooks proposal for the Shipyards, including a Ferris wheel, outdoor ice rink and a foray into City-owned commercial real estate.

I do not support spending \$30M to \$50M on Mayor Mussatto's Shipyards vision until a solution to Harry Jerome has been determined and funded. We need to focus on established community priorities. We have limited resources.

I want council to start spending our money as if each dollar came from their own pockets! Don't you?
