

# MORRIS FOR MAYOR

Did you know that on July 22nd, 2014, North Van City threatened me with legal action for defamation?

On the heels of that threat, issued by CAO Tollstam, my legal counsel received a second threat of legal action in the same matter, this time issued by the City's lawyers Bull Houser.

Do you know how many times the City has paid the legal costs to threaten lawsuits against its public officials? I wish I could say I'm the first and only instance, but I'm not. How much has this conduct cost the taxpayers?

**Do you think that the City should be threatening to sue its elected and unelected officials, and candidates, using city resources? I don't.**

**When the City made these threats, was it done with the full knowledge and approval of the Mayor's office? Was it legal? I don't think so.**
