

# MORRIS FOR MAYOR

Do you think the 85 TransLink buses currently dispatched from the 3rd Street and St. Davids Bus Depot should be relocated to Burnaby?

**I oppose moving the North Shore's TransLink Bus Depot to Burnaby!** Situating those 85 buses in Burnaby will add to an already chaotic 2nd Narrows bridge traffic problem. Even worse, the 250 bus drivers working from the Bus Depot must now drive to and from Burnaby each day to start their shifts. Bridge traffic will go from bad to worse! Driving those buses to and from the North Shore daily will cost TransLink an additional \$1,500,000 annually.

TransLink's "Mayor's Council", supported by Mayor Mussatto, voted for this plan! Why? Could it be due to development interests in the Bus Depot property?
