

# MORRIS FOR MAYOR

**“FOR A BETTER TOMORROW”**

Do you think **Traffic Congestion** issues throughout the North Shore are a byproduct of over development without proper impact and infrastructure planning?

**I do and I believe we must slow the pace of development until we have an Integrated traffic management plan designed to enhance traffic flow throughout the whole North Shore.**

**Traffic planning needs to encompass the efficient movement of motor vehicles on all primary and secondary routes, in addition to highway Interchanges!**
