Re: Play Time Gaming - Third Party Elector

Like you, I was in attendance this evening at the special Gaming Committee Meeting convened in City Hall Council chambers before a full assembly of North Vancouver City Council.

During that meeting, in your presence, I witnessed Mr. Tom Nellis (owner PlayTime Gaming) admit that he operated a telephone bank in support of the re-election campaigns of the Mayor and his 'Slate'. The staff who manned that telephone bank were paid for their work time by PlayTime Gaming. These facts are not in dispute as they were admitted directly by Mr. Nellis.

Upon returning home this evening, I have reviewed the Elections BC website at which time I was able to determine that neither Mr. Tom Nellis, Play Time Gaming or K&T Properties filed with Elections BC as a duly authorized Elector Organization in accordance with the applicable provincial laws. Nor did the Mayor or his 'Slate' disclose any conflict of interest in relation to PlayTime Gaming. Further, while Mr. Nellis claims an in-kind donation to the Mayor, the Mayor's election finance disclosure forms list a cash contribution from K&T but make no reference to an in-kind donation from either K&T or PlayTime, and no reference whatsoever to a telephone bank as described in detail by Mr. Nellis.

Given that Mr. Nellis has now admitted that his company PlayTime provided paid staff to operate a telephone bank in support of Mayor Mussatto and the 'Slate', and that at no time ever did he register as an Elector Organization in accordance with the law, it is clear to me that the Local Elections Campaign Financing Act has been breached.

As the Elections BC officer who presided over the election activities in the City of North Vancouver, I herein serve you notice of my complaint of a confirmed illegal act and I herein ask that you engage the RCMP to examine this matter fully. I will attend the offices of the RCMP tomorrow wherein I will swear an Information reciting the facts as they were presented tonight.

Similarly, I will file a complaint with the Ministry of the Attorney General, the office of the Premier of British Columbia and ElectionsBC directly.

Sincerely,

Kerry Morris
