**Attention:** Mr. Kerry Morris

Dear Sirs/Mesdames:

**Re: Unauthorized use of City of North Vancouver Trade-mark**

We are counsel for the City of North Vancouver (the “City”) and write in relation the City’s logo which is a recognized trade-mark of the City.

It has recently come to our attention that you have used, and continue to use, the City’s logo as a letterhead or otherwise on materials which you are circulating and making available to the public, including through your website at [kerrymorris.ca/presentations-and-communication/](http://kerrymorris.ca/presentations-and-communication/), and a document entitled “The Decline of Democracy”.

Your unauthorized use of the City of North Vancouver’s logo inaccurately implies a connection with, or an authorization or endorsement of, your website and materials, and constitutes a passing off. The document referred to above is particularly egregious in that it appears you have intentionally made it look like an official City document.

We require that you immediately cease and desist from any and all use of the City’s logo or other trademarks, and remove or delete all existing uses of those marks. If you do not immediately cease your unauthorized use we will seek instructions from our client to protect the City’s intellectual property.

**BULL  
HOUSSER**

Please confirm with our office that you will cease your unauthorized use of any and all of the City's trade-marks no later than **Friday, May 22, 2015**. We look forward to your prompt attention to this matter.

Yours truly,

Bull, Housser & Tupper LLP
